

Marvel Viento Awarded Best Residential Project in Bengaluru

Marvel Realtors project, **Marvel Viento** has won an award for the best 100 per cent complete residential project under the Ultra Luxury segment in Bengaluru, by CNBC AWAAZ Real Estate Awards 2013. The awards focused on identifying India's best most preferred projects from over

8000 entries. The awards were evaluated on projects that have delivered on the location desirability, infrastructure, standards of quality and intelligent design in the Ultra-Luxury segment. Marvel Viento is Marvel Realtors' first project in Bengaluru, located amidst the lush green of elite Defence Colony in Indira Nagar. This stand-alone building has just four exclusive state-of-the-art apartments, one per floor, 3,810-sq.ft to 5,630-sq.ft in size. The unique design of Marvel Viento and the facilities offered make it one of the best residential projects in Bangalore. Marvel Viento offers apartments spanning the entire floor with private entrance, private lobby along with a private view in all directions. Besides features like landscaped garden terraces, designer modular kitchens, Jacuzzi and steam rooms, and home automation are standard for Marvel projects. Based on the response to Marvel Viento, Marvel has launched more projects in Defence Colony as well as MG Road.
